MEMORANDUM FOR: Chief, Administrative Branch, IFD
Chief, Operations Branch, IFD
Chief, Contracts Branch, IFD
Chief, Developments Branch, IFD
Chief, Material Branch, IFD

SUBJECT : Revised FY-'61 Operational and FY-'62 Congressional
Budget Project CHALICE

25X1

REFERENCE : (A) Movement of Detachment 'C', CHAL 1023
(B) Proposed Reorganization Project CHALICE, CHAL 1027

25X1

1. The referenced documents pertain to a change in operational concepts in Project CHALICE which will necessitate adjusting budgetary inputs for subject fiscal periods as directed by HQ/P. This was brought to the attention of all concerned early in the morning of 13 June 1960.

2. Reference (B) above covers the return of Base 'C' to the Continental limits of the U. S. and indicates that any staging will be conducted through deployments to advance bases and/or through in-flight refueling mechanism. Revised figures should be supplied in consonance with this concept.

25X1

4. Since the decision on the proposal in CHAL 0994 is not firm at the moment, your revised budgetary submission should be so compiled as to permit easy addition or elimination of this indicated operational concept. This will be accomplished by preparing the adjustments in separate schedules.

5. In view of the urgency of effecting IFD final budgetary presentation early attention to this request is required. Your calculations should all be made available to IFD Comptroller for consolidation purposes on or before close of business 14 June 1960.
